

March 2010

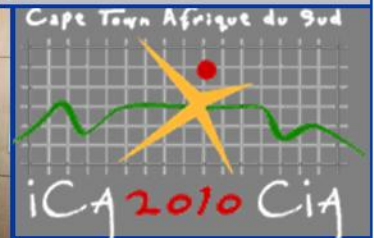

Easter time!

This month has definitely kept us busy in the office, and out. Thank goodness we had an Easter break to look forward to :) I hope you all had a fantastic long weekend and are ready for the weeks ahead... only 62 days to go!

Hoping to hear from you!
Raquel de Sousa

Interpretation provided for both ICA 2010 & 17th IALA

CTICC, through the course of March

This month Congress Rental provided simultaneous interpretation for 2 prestigious events at the CTICC. Alongside you can see our Cape Town staff with key individuals from the IALA, where we supplied both Portuguese & French interpretation to over 600 delegates.

The International Congress of Actuaries (ICA) 2010 allowed us to showcase, even further, our continuously expanding Simultaneous Interpretation stock. For this conference we provided over 1000 receivers (1400 for opening, & 1000 subsequent days) for the duration of the 5 day conference

Now Digitally Translated

Congress Rental has gone digital in PORTUGUESE & FRENCH!

Are you trying to enter the African market or do you often have to deal with foreign clients? Being able to explain the more technical aspects of a conference in your clients mother tongue could aid the decision making process and essentially help you win your conference.

The Easter Bunny arrives!

Kat, Lyn and the Cape Town staff give Lydia an Easter surprise... carrots and all :)
