

25 February 2010

Dear Lyn, Arri, Simphiwe, Kat and Gideon.

I would like to thank you for the superior service we've received from Congress Rental during the HedgeNews Africa 2010 symposium and gala dinner at The Vineyard Hotel on 18 February. Your professionalism, understanding of our needs and willingness to go the extra mile – often at short notice – most definitely set a new standard in service delivery.

I am proud to say that you have moved to the top spot on my preferred suppliers list – I am looking forward to working with you again in the near future.

Best regards
Annemie Krause

The AV guys were an absolute pleasure to work with, fitting in seamlessly as part of our team and helping us to do the best for our clients. Thank you.
