Dear Mr. De Sousa,

I am writing to express my appreciation and tell you how grateful I am for the huge amount of work we accomplished during the Inter Congolese political negotiations.

I would also like to express to you my gratitude for your support and the endurance you showed all through the time we spent in Sun City. It was an arduous and demanding task and I would like to thank you for the part you played.

Thank you for the invaluable help you have given us.

Sincerely,

AK Maim
