Dear William,

I wish to once again express our profound appreciation for your dedicated efforts in support of the *Africa Center 2005 Senior Leader Seminar*. This two-week long program was designed to provide a forum for a broad cross-section of senior military officers, civilian officials, and civil society leaders from Africa, the United States, Europe, and the international community to discuss issues of security, democratic governance and civil-military relations.

The success of our seminars depends on efficient planning, organized cooperation, and smooth execution. As usual, your dedication and professionalism helped ensure that this event was a grand success for all who attended. Your high standards of service and reliability have made you an invaluable part of the Africa Center team and are greatly appreciated. The unique opportunity offered by the seminar for dialogue and cooperation has been highly commended by all members of the Africa Center community. The logistical and organizational efforts you and your staff displayed throughout our visit were essential to the successful realization of the seminar's goals.

Again, I want to thank you for your excellent support and attention to detail concerning our many distinguished guests. I wish you the best for continued success.

Sincerely,
